

Canon World Papercraft Mini-book

Buildings of the World Series Chile Moai Statues of Easter Island

It is thought that the construction of the giant Moai stone statues began as early as the 8th century, and ceased abruptly in the 17th century. Over 1000 of these Moai statues, which are thought to be symbols of different tribes, remain on Easter Island. Shrouded in mystery, the moai continue to stand silently looking far out across the ocean.

- cut line
- - - mountain fold line
- - - valley fold line

\*Cut out the card above and save it. You can collect the cards from each of the Papercraft projects to make your own mini-book!
